New Registration

Before your child can begin care, the following requirements must be completed:

• The online registration form must be completed in full at least 24 hours before your child's start date. This allows us time to enter your child into our system.

• Registration fees and tuition must be paid in full.

• Parents must call or schedule a tour on the website before their child's start date.

• Your child must attend the tour with you to meet their teacher.

Arrival and Nap Time

• Once your child is enrolled, our daily arrival cutoff time is 10:00 AM, unless your child has a doctor's appointment. Please notify the office in advance if your child will arrive late due to an appointment.

• Children may not arrive during nap time, from 12:00–2:00 PM. The infant classroom is the only exception because infants follow individual sleep schedules.

Information About Your Child

• Parents must inform us of any behavioral concerns, special needs, allergies, or other information necessary to care for their child before enrollment. We must have complete and accurate information to discuss your child's needs and plan appropriate care. We reserve the right to decline enrollment if required information is not provided.

Payment Options

• We accept cash, money orders, checks, Cash App, and payments through the Procare app.

• Cash App payments should be sent to $victorychildcare. Look for the profile picture of a stick girl wearing a red dress.

If you have any questions or need assistance with registration, please call 870-639-3941. We look forward to welcoming your family to Victory Childcare Center!
